

Brief Profile of Mr. Rohit Tandon.

Mr. Rohit Tandon, the founder and Managing Partner of Zeus Law Associates has been in practice for 25 years. He spearheads the firm's practice in fields of corporate law, corporate consultancy, financial advisory, regulatory practice, commercial litigation, mediation and alternate dispute resolution. He has practiced extensively in commercial laws, indirect taxes, foreign exchange control and commercial arbitration for over two decades during which period he has dealt with a large magnitude of complex legal, commercial and financial issues, including those having world wide ramifications and being of significant public importance and interest. International commercial arbitrations are an area of his special interest and expertise. He has been engaged in a number of commercial arbitrations conducted under aegis of International Chamber of Commerce, London Chamber of Commerce, London Refined Sugar Association, Indian Chamber of Commerce; etc. He has also engaged himself with great success in international commercial mediation across the globe. He is extremely well connected and networked in international legal circuit having worked with and interacted with a large number of major international law firms all over the world. Besides professionally engaging himself and guiding the firm on a day-to-day basis, he is at present also actively engaged in setting up the firm's law offices and practice in Dubai, in areas of India-centric corporate law consultancy and financial advisory services.

Mr. Rohit Tandon regularly advises some of India's leading corporate, as well as, Fortune Companies in their India strategy. Being a deft negotiator and bestowed with skill-full pragmatism, he assists corporate in devising and modulating commercial solutions in complex transactions, apart from guiding in-bound and out-bound investments, private equity placements, acquisitions, take-overs & mergers, evolving financing solutions, assisting in securities, regulatory issues, joint ventures, technical collaborations, etc. He also leads the firm's efforts and practice in securities, Security Exchange Board of India and Securities Appellate Tribunal.
